- School performance groups may perform at Stone Mountain Park free of charge but are required to purchase one attraction ticket per student. During our Christmas season you will need to purchase an All Attractions pass.
- Due to the family friendly environment of Stone Mountain Park, all directors are required to send a playlist along with a photograph at least three weeks prior to your performance date. Stone Mountain Park reserves the right to declare which performance groups are approved.
- A copy of your song list must be provided at least three weeks prior to your performance date. This list must include the type of music and title of songs to be performed.
- Performances will be limited to dance, the playing of instruments and/or vocal performances. The available performance area has limited power outlets. A list of equipment to be used during the performance is required with the song list. Gymnastic stunts and/or fire batons are not permitted. Chairs are not provided.
- A group reservation must be made through Stone Mountain Park's Group Sales Office, at least 14 days in advance of visit. Call 770-498-5636 or email [smpgroups@stonemountainpark.com](mailto:smpgroups@stonemountainpark.com) to make a reservation. If you have previously made your group reservation, a confirmation will be sent for the group admission. Performance group admission is based on the applicable group rate. Groups must have one chaperone per 25 students.
- Once your reservation has been made with the Group Sales Office, a representative from the office will contact you to go over details. You will receive information on your performance time prior to your arrival. All performance times will be scheduled on a first come, first served basis.
