MEGA FUN FOR EVERYONE!

MEGABUGS! Adventure Encounters is an immersive and interactive area, featuring more than 70 new exhibits of larger-than-life insects perfect for "bugologists" of any age to explore. Guests will crawl like a spider, fly like a bee and dig like an ant as they interact with colossal crawlers along winding paths. The exhibits also spotlight special features, including the individual sounds and movements that make these insects unique members of the animal kingdom. MEGABUGS!
